ORALDENT LTD.,

Plaintiff, Case No.: 1:20-cv-00304

v. Judge Gary Feinerman

THE PARTNERSHIPS AND UNINCORPORATED ASSOCIATIONS IDENTIFIED ON SCHEDULE "A",

Magistrate Judge Gabriel A. Fuentes

Defendants.

## PRELIMINARY INJUNCTION ORDER

THIS CAUSE being before the Court on Plaintiff ORALDENT LTD.'s ("Plaintiff" or "ORALDENT") Motion for Entry of a Preliminary Injunction, and this Court having considered the evidence before it hereby GRANTS Plaintiff's Motion for Entry of a Preliminary Injunction in its entirety against the Defendants identified in Schedule A attached hereto (collectively, the "Defendants").

THIS COURT HEREBY FINDS that it has personal jurisdiction over the Defendants since the Defendants directly target their business activities toward consumers in the United States, including Illinois. Specifically, Defendants are reaching out to do business with Illinois residents by operating one or more commercial, interactive Internet Stores through which Illinois residents can purchase products bearing infringing and/or counterfeit versions of Plaintiff's POWER FLOSS Trademark including U.S. Trademark Registration No. 4,747,510.

THIS COURT FURTHER FINDS that injunctive relief previously granted in the Temporary Restraining Order ("TRO") should remain in place through the pendency of this litigation and that issuing this Preliminary Injunction is warranted under Federal Rule of Civil Procedure 65. Evidence submitted in support of this Motion and in support of Plaintiff's

previously granted Motion for a Temporary Restraining Order establishes that Plaintiff has a likelihood of success on the merits; that no remedy at law exists; and that Plaintiff will suffer irreparable harm if the injunction is not granted.

Specifically, Plaintiff has proved a *prima facie* case of trademark infringement because (1) the POWER FLOSS Trademark is a distinctive mark and registered with the U.S. Patent and Trademark Office on the Principal Register, (2) Defendants are not licensed or authorized to use the POWER FLOSS Trademark, and (3) Defendants' use of the POWER FLOSS Trademark is causing a likelihood of confusion as to the origin or sponsorship of Defendants' products with Plaintiff's. Furthermore, Defendants' continued and unauthorized use of the POWER FLOSS Trademark irreparably harms Plaintiff through diminished goodwill and brand confidence, damage to Plaintiff's reputation, loss of exclusivity, and loss of future sales. Monetary damages fail to address such damage and, therefore, Plaintiff has an inadequate remedy at law. Moreover, the public interest is served by entry of this Preliminary Injunction to dispel the public confusion created by Defendants' actions while respecting the Defendants' right to sell, and customers' right to buy, products that do not infringe Plaintiff's trademark rights.

Accordingly, this Court orders that:

- 1. Defendants, their affiliates, officers, agents, servants, employees, attorneys, confederates, and all persons acting for, with, by, through, or under them be preliminarily enjoined and restrained from:
  - a. using Plaintiff's POWER FLOSS Trademark or any confusingly similar reproductions, counterfeit copies or colorable imitations thereof in any manner in connection with the distribution, marketing, advertising, offering for sale, or sale of any product that is not a genuine POWER FLOSS product or not

- authorized by Plaintiff to be sold in connection with Plaintiff's POWER FLOSS Trademark;
- b. passing off, inducing, or permitting others to sell or pass off any product as a genuine POWER FLOSS product or any other product produced by Plaintiff, that is not Plaintiff's or not produced under the authorization, control or supervision of Plaintiff and approved by Plaintiff for sale under Plaintiff's POWER FLOSS Trademark;
- c. committing any acts calculated to cause consumers to believe that Defendants' products are those sold under the authorization, control or supervision of Plaintiff, or are sponsored by, approved by, or otherwise connected with Plaintiff;
- d. further infringing Plaintiff's POWER FLOSS Trademark and damaging Plaintiff's goodwill;
- e. knowingly manufacturing, shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner, products or inventory not manufactured by or for Plaintiff, nor authorized by Plaintiff to be sold or offered for sale, and which bear Plaintiff's POWER FLOSS Trademark or any confusingly similar reproductions, counterfeit copies or colorable imitations thereof;
- 2. Defendants shall provide to ORALDENT expedited discovery, including copies of all documents and records in such person's or entity's possession or control relating to:
  - a. the identities and locations, including all know contact information and any and all associated e-mail addresses, of Defendants;

- b. the nature of Defendants' operations and all associated sales, methods of payment for services and financial information, including, without limitation, identifying information associated with the Online Marketplace Accounts and Defendants' financial accounts, as well as providing a full accounting of Defendants' sales and listing history related to their respective Online Marketplace Accounts;
- 3. Defendants shall be temporarily restrained and enjoined from transferring or disposing of any money or other of Defendants' assets associated with sales from Product Listings identified on Schedule A until further ordered by this Court.
- 4. Any Third Party Providers, including eBay, Inc. ("eBay"), PayPal, Inc. ("PayPal"), Amazon Payments, Inc. ("Amazon"), Alipay US, Inc. and its entities ("Alipay"), Alibaba Group Holding Limited ("Alibaba"), Heguang International Limited or Dunhuang Group d/b/a DHGATE, DHGate.com, DHPORT, DHLINK and DHPAY ("DHGate") and Tophatter, Inc. ("Tophatter") shall, within five (5) business days of receipt of this Order, for any Defendant or any of Defendants' Online Marketplace Accounts or websites:
  - a. Locate all accounts and funds connected to Defendants, Defendants' Online Marketplace Accounts or Defendants' websites, including, but not limited to, any financial accounts connected to the information listed in Schedule A hereto, the email addresses identified in Exhibit 2 to the Declaration of Richard Thomas, and any e-mail addresses provided for Defendants by third parties; and
  - b. Restrain and enjoin any such accounts or funds that are not U.S.-based from transferring or disposing of any money or other of Defendants' assets until further ordered by this Court.

- 5. ContextLogic, Inc. ("WISH") and its related companies and affiliates is subject only to the terms of this paragraph and all other paragraphs do not apply. Insofar as it has not already done so, WISH shall, within five business days of receipt of this Order, identify and restrain all funds that, as of February 4, 2020 at 9:00 a.m., were in the WISH accounts related to Defendants as identified on Schedule "A" hereto; WISH also shall provide Plaintiff's counsel with an accounting of the total funds restrained and identify the financial account(s) which the restrained funds are related to. Such restraining of the funds and the disclosure of the related financial institution account information shall be made without notice to the account owners until after those accounts are restrained. No funds restrained by this Order shall be transferred or surrendered by WISH for any purpose (other than pursuant to a chargeback made pursuant to WISH's security interest in the funds or as may be required by an order of a court or governmental agency) without the express authorization of this Court. The asset restraint will not operate on an ongoing basis, as the asset restraint shall apply only to assets described in this paragraph in WISH accounts up to February 4, 2020 at 9:00 a.m.
- 6. Plaintiff may provide notice of these proceedings to Defendants, including notice of the preliminary injunction hearing and service of process pursuant to Fed.R.Civ.P. 4(f)(3), by electronically publishing a link to the Complaint, this Order and other relevant documents on a website or by sending an e-mail to the e-mail addresses identified in Exhibit 2 of the Declaration of Richard Thomas and any e-mail addresses provided for Defendants by third parties that includes a link to said website. The Clerk of Court is directed to issue a single original summons in the name of "chineon and all other Defendants identified in Complaint" that shall apply to all Defendants. The combination of providing notice via

electronic publication or e-mail, along with any notice that Defendants receive from Online Marketplace Accounts and payment processors, shall constitute notice reasonably calculated under all circumstances to apprise Defendants of the pendency of the action and afford them the opportunity to present their objections. Notwithstanding this provision, ordinary federal rules governing notice and service in civil cases shall apply to any Intervenors that the Court has permitted to appear.

- 7. Any Defendants that are subject to this Order, or Intervenors that the Court has permitted to appear, may appear and move to dissolve or modify the Order on two days' notice to Plaintiff or on shorter notice as set by this Court.
- 8. The \$10,000 bond posted by Plaintiff shall remain with the Court until a final disposition of this case or until this Preliminary Injunction is terminated.
