ORDER

This case comes before the Court following a hearing on Plaintiff's Motion for TRO and Preliminary Injunction. Dkt. No. [4]. The Court previously entered a Temporary Restraining Order and Asset Freeze Order against all Defendants on February 12, 2021. Dkt. No. [10]. The Court also authorized Plaintiff to serve Defendants by electronic means. Dkt. No. [9]. In conjunction with the TRO, the Court ordered Defendants to appear at a hearing to demonstrate good cause why a preliminary injunction should not issue. Dkt. Nos. [10]. That hearing was held on March 12, 2021, and Defendants failed to appear.

Accordingly, Defendants have failed to show good cause why a preliminary injunction should not issue. Plaintiff's Request for Preliminary Injunction [4] is **GRANTED** as to all Defendants except those who have been voluntarily dismissed

from this case.¹ The Court **ENTERS** a preliminary injunction on the same terms as the Court's earlier Temporary Restraining Order, Asset Freeze Order, and Order to Show Cause [10]. The Court's previous Temporary Restraining Order, Asset Freeze Order, and Order to Show Cause [10] is **DISSOLVED**.

IT IS SO ORDERED this 12th day of March, 2021.

Leigh Martin May
United States District Judge

¹ The Court includes below a list of the Defendants to whom this order applies (Exhibit A).
