Plaintiff by and through its undersigned counsel, alleges as follows:<sup>1</sup>

### **NATURE OF THE ACTION**

1. This action involves claims for trademark infringement of Plaintiff's federally registered trademarks in violation of § 32 of the Federal Trademark (Lanham) Act, 15 U.S.C. §§ 1051 *et seq.*; counterfeiting of Plaintiff's federally registered trademarks in violation of 15 U.S.C. §§ 1114(1)(a)-(b), 1116(d) and 1117(b)-(c); trademark infringement of Plaintiff's unregistered trademarks in violation of 15 U.S.C. § 1125; false designation of origin, passing off and unfair competition in violation of Section 43(a) of the Trademark Act of 1946, as amended (15 U.S.C. §1125(a)); copyright infringement of Plaintiff's federally registered copyrights in violation of the Copyright Act of 1976, 17 U.S.C. §§ 101 *et seq.* and related state and common law claims, arising from the infringement of the Squishmallows Marks and Squishmallows Works, including, without limitation, by manufacturing, importing, exporting, advertising, marketing, promoting, distributing, displaying, offering for sale and/or selling unlicensed, counterfeit and infringing versions of Plaintiff's Squishmallows Products by Defendants.

### **JURISDICTION AND VENUE**

2. This Court has federal subject matter jurisdiction over the claims asserted in this Action pursuant to 28 U.S.C. §§ 1331 and 1338(a), as well as pursuant to 15 U.S.C. § 1121 as an action arising out of violations of the Lanham Act, 15 U.S.C. §§ 1051 *et seq.* and the Copyright Act, 17 U.S.C. §§ 101 *et seq.*; pursuant to 28 U.S.C. §1338(b) as an action arising out of claims for false designation of origin and unfair competition and pursuant to 28 U.S.C. § 1332, as there is diversity between the parties and the matter in controversy exceeds, exclusive of interests and costs, the sum

of seventy-five thousand dollars. This Court has supplemental jurisdiction pursuant to 28 U.S.C. §§1367(a), as the claims asserted thereunder are so closely related to the federal claims brought in this Action as to form part of the same case or controversy.

3. Personal jurisdiction exists over Defendants in New York pursuant to N.Y.C.P.L.R. § 302(a)(1) and N.Y.C.P.L.R. § 302(a)(3), or in the alternative, Federal Rule of Civil Procedure 4(k), because, upon information and belief, Defendants regularly conduct, transact and/or solicit business in New York, and/or derive substantial revenue from their business transactions in New York and/or otherwise avail themselves of the privileges and protections of the laws of the State of New York such that this Court's assertion of jurisdiction over Defendants does not offend traditional notions of fair play and due process, and/or Defendants' illegal counterfeiting and infringing actions caused injury to Plaintiff in New York such that Defendants should reasonably expect such actions to have consequences in New York, for example:

a. Upon information and belief, Defendants were and/or are systematically directing and/or targeting their business activities at consumers in the U.S., including New York, through accounts with online marketplace platforms such as Alibaba and/or AliExpress as well as any and all as yet undiscovered User Accounts, through which consumers in the U.S., including New York, can view one or more of Defendants' Merchant Storefronts that each Defendant operates, uses to communicate with Defendants regarding their listings for Counterfeit Products and to place orders for, receive invoices for and purchase Counterfeit Products for delivery in the U.S., including New York, as a means for establishing regular business with the U.S., including New York.

b. Upon information and belief, Defendants are sophisticated sellers, each operating one or more commercial businesses through their respective User Accounts, using

their Merchant Storefronts to manufacture, import, export, advertise, market, promote, distribute, offer for sale and/or otherwise deal in products, including the Counterfeit Products at significantly below-market prices to consumers worldwide, including to those in the U.S., and specifically New York.

c. Upon information and belief, all Defendants accept payment in U.S. Dollars and offer shipping to the U.S., including to New York and specifically to one of the New York Addresses.

d. Upon information and belief, Defendants have transacted business with consumers located in the U.S., including New York, for the sale and shipment of Counterfeit Products.

e. Upon information and belief, Defendants are aware of Plaintiff, its Squishmallows Products, Squishmallows Marks and Squishmallows Works, and are aware that their illegal counterfeiting and infringing actions alleged herein are likely to cause injury to Plaintiff in the U.S. and specifically, in New York.

4. Venue is proper, *inter alia*, pursuant to 28 U.S.C. § 1391 because, upon information and belief, Defendants conduct, transact and/or solicit business in New York.

### **THE PARTIES**

5. Plaintiff is a limited liability company with a principal place of business at 4811 South Alameda Street, Los Angeles, CA 90058.

6. Upon information and belief, Defendants are merchants on the Alibaba and AliExpress online marketplace platforms, through which Defendants offer for sale and/or sell Counterfeit Products, with a principal place of business at the addresses identified, if any, in the printouts of screenshots of Defendants' Merchant Storefronts in **Exhibit D**.

## **GENERAL ALLEGATIONS**

### **Plaintiff and Its Well-Known Squishmallows Products**

7. Plaintiff is one of the world's most influential, leading manufacturers and distributors of high-quality plush toys and gifts, and is known for its best-selling brands, including Pillow Chums, Kellybaby and Kellypet.

8. Plaintiff sells its Kelly Toys Products in major retailers, department stores and online marketplaces, including, but not limited to: Walmart, Justice, Target and Amazon.

9. One of the most popular Kelly Toys Brands is Squishmallows, a line of loveable buddies made with a super soft, marshmallow-like texture that come in a variety of sizes from 3.5-inch clip-ons to extra-large 24 inch plush toys. The Squishmallows Products have expanded to other styles including Hug Mees, Stackables, Mystery Squad and Flip-A-Mallows. Images of the Squishmallows Products are attached hereto as **Exhibit A**.

10. Since their debut in 2017, over 73 million Squishmallows Products have been sold worldwide, and sales of Squishmallows have tripled in the past six months.<sup>2</sup>

11. In 2020, the Squishmallows Products were awarded "Best Toy of the Year" by Learning Express.<sup>3</sup>

12. The Squishmallows Products are sold by major U.S. retailers and e-commerce sites, such as Amazon, Target and Walmart.

13. The Squishmallows Products typically retail for between \$7.99-35.00.

14. While Kelly Toys has gained significant common law trademark and other rights in its Squishmallows Products, through its and/or its predecessor's use, advertising and promotion, Kelly Toys has also protected its valuable rights by filing for and/or obtaining federal trademark registrations.

15. For example, Kelly Toys is the owner of the Squishmallows Registrations (i.e., U.S. Trademark Registration Nos. 6,137,521 for "FLIP A MALLOWS" for goods in Class 28; 5,454,574 for "SQUISHMALLOW" for goods in Class 28; 5,962,289 for "MYSTERY SQUAD" for goods in Class 28; and 2,029,047 for "KELLYTOY" for goods in Class 28). Kelly Toys also applied for the registrations of the Squishmallows Applications (i.e. U.S. Trademark Serial Application No. 88/471,796 for "SQUISHMALLOWS HUGMEES" and U.S. Trademark Serial Application No. 90/676,140 for "ORIGINAL SQUISHMALLOWS" for goods in Class 28). Copies of the Squishmallows Registrations and Squishmallows Applications are attached hereto as **Exhibit B** and incorporated herein by reference.<sup>4</sup>

16. The Squishmallows Marks are currently in use in commerce in connection with Squishmallows Products. The Squishmallows Marks were first used in commerce on or before the dates of first use as reflected in the Squishmallows Registrations attached hereto as part of **Exhibit B**.

17. In addition, Kelly Toys is also the owner of registered copyrights in and related to the Squishmallows Products.

---

<sup>4</sup> Although two of the Squishmallows Registrations list Plaintiff's predecessor, Kellytoy Worldwide, Inc. on the certificates of registration, the assignments on file with the United States Patent and Trademark Office (the "USPTO") unequivocally evidence that Plaintiff is in fact the current true and correct owner of all of the Squishmallows Registrations. True and correct copies of the trademark assignments, as filed with the USPTO, are included as part of **Exhibit B**.

18. For example, Kelly Toys owns the Squishmallows Works, and the U.S. copyright registrations covering the same, which are listed in **Exhibit C**.<sup>5</sup>

19. The success of the Squishmallows Products is due in part to Plaintiff and its predecessor's marketing and promotional efforts. These efforts currently include advertising and promotion through social media, the Squishmallows' website (available at <https://squishmallows.com/>) and other advertising, among other efforts domestically and abroad, including in New York.

20. Plaintiff's success is also due to its use of the highest quality materials and processes in making the Squishmallows Products, which meet or exceed U.S. standards.

21. Additionally, Plaintiff owes a substantial amount of the success of the Squishmallows Products to their consumers and word-of-mouth buzz that its consumers have generated.

22. Plaintiff and its predecessor's efforts, the quality of Squishmallows' products and the word-of-mouth buzz generated by their consumers, the Squishmallows Marks, Squishmallows Works and Squishmallows Products have become prominently placed in the minds of the public. Members of the public have become familiar with the Squishmallows Marks, Squishmallows Works and Squishmallows Products and have come to associate them exclusively with Plaintiff. Plaintiff has acquired a valuable reputation and goodwill among the public as a result of such associations.

23. Plaintiff has gone through great lengths to protect its interests in the Squishmallows Marks, Squishmallows Works and Squishmallows Products. No one other than Plaintiff is authorized to manufacture, import, export, advertise, offer for sale or sell any goods utilizing the

---

<sup>5</sup> Although the registrations for the Squishmallows Works also list Plaintiff's predecessor Kellytoy Worldwide, Inc. as the copyright claimant, Kellytoy Worldwide, Inc. assigned all rights in and to the Squishmallows Works to Kelly Toys, and Plaintiff is in fact the true and correct owner thereof.

Squishmallows Marks and Squishmallows Works without the express permission of Plaintiff.

**Alibaba and AliExpress and Defendants' User Accounts**

24. Alibaba and AliExpress are online marketplace and e-commerce platforms that allow manufacturers, wholesalers and other third-party merchants, like Defendants, to advertise, distribute, offer for sale, sell and ship their wholesale and retail products originating from China directly to consumers worldwide and specifically to consumers residing in the U.S., including New York.

25. As some of the leaders of China's e-commerce and digital retail market, Alibaba and AliExpress have generated hundreds of billions in sales worldwide.<sup>6</sup> International markets, including the U.S., make up a significant percentage of sales made on Alibaba and AliExpress. For example, in 2016, revenue from international retail sales grew by 25% on AliExpress to \$342 million and 15% on Alibaba to \$841 million.<sup>7</sup> The press reported that the growth in sales on AliExpress resulted from an increase in the number of buyers, particularly from the U.S., as well as other large countries like Russia and Brazil.<sup>8</sup> Additionally, according to *Business Insider*, excluding China, the U.S. was among the top five countries with packages coming from Alibaba's marketplaces on the company's "Singles' Day" (often compared to the U.S.'s Cyber Monday) in 2015, which resulted in over \$14 billion in sales in one day.<sup>9</sup>

and as reflected in the federal lawsuits filed against sellers offering for sale and selling infringing and/or counterfeit products on Alibaba and AliExpress,<sup>11</sup> an astronomical number of counterfeit and infringing products are offered for sale and sold on Alibaba and AliExpress, as well as other online marketplace platforms, at a rampant rate.

27. Defendants are individuals and/or businesses, who, upon information and belief, are located in China but conduct business in the U.S. and other countries by means of their User Accounts and on their Merchant Storefronts on Alibaba and AliExpress, as well as potentially yet undiscovered additional online marketplace platforms.

28. Through their Merchant Storefronts, Defendants offer for sale and/or sell consumer products, including Counterfeit Products, and target and ship such products to customers located in the U.S., including New York, and throughout the world.

29. Defendants' Merchant Storefronts share unique identifiers, such as design elements along with similarities in price, description of the goods offered and of the Counterfeit Products themselves offered for sale.

30. Defendants are in constant communication with each other and regularly participate in online chatroom discussions involving illegal counterfeiting activities, pending litigation and potential new lawsuits.

### **Defendants' Wrongful and Infringing Conduct**

31. Particularly in light of Plaintiff's success with its Squishmallows Products, as well as the reputation they have gained, Plaintiff and its Squishmallows Products have become targets for unscrupulous individuals and entities who wish to capitalize on the goodwill, reputation and fame that Plaintiff has amassed in its Squishmallows Products, Squishmallows Marks and Squishmallows Works and Plaintiff investigates and enforces against such activities.

32. As part of these efforts, Plaintiff authorized Epstein Drangel to investigate and research manufacturers, wholesalers, retailers and/or other merchants offering for sale and/or selling Counterfeit Products on Alibaba and AliExpress.

33. Through Epstein Drangel's investigative and enforcement efforts, Plaintiff learned of Defendants' actions which vary and include, but are not limited to: manufacturing, importing, exporting, advertising, marketing, promoting, distributing, displaying, offering for sale and/or selling Counterfeit Products to U.S. consumers, including those located in the state of New York, through Defendants' User Accounts and Merchant Storefronts. Printouts of listings for Counterfeit Products from Defendants' User Accounts and Merchant Storefronts are included in **Exhibit D** attached hereto and incorporated herein by reference.

34. Defendants are not, and have never been, authorized by Plaintiff or any of its authorized agents, authorized licensees or authorized distributors to copy, manufacture, import, export, advertise, distribute, offer for sale or sell the Squishmallows Products or to use the Squishmallows Marks and/or Squishmallows Works, or any marks and/or artwork that are confusingly or substantially similar to the Squishmallows Marks and Squishmallows Works.

35. Defendants' Counterfeit Products are nearly indistinguishable from Plaintiff's Squishmallows Products, only with minor variations that no ordinary consumer would recognize.

36. During its investigation, Epstein Drangel identified Defendants as offering for sale and/or selling Counterfeit Products and specified a shipping address located at one of the New York Addresses and verified that each Defendant provides shipping to one of the New York Addresses. Printouts of the checkout pages for the Counterfeit Products and pages from Defendants' Merchant Storefronts reflecting that the Defendants ship the Counterfeit Products to one of the New York Addresses are included in **Exhibit D**.

37. Epstein Drangel confirmed that each Defendant is currently offering for sale and/or selling Counterfeit Products through their respective User Accounts and/or Merchant Storefronts, accepting payment for such Counterfeit Products in U.S. Dollars through various payment processing services and that each Defendant provides shipping and/or has actually shipped Counterfeit Products to the U.S., including to customers located in New York. Epstein Drangel's findings are supported by Defendants' listings for Counterfeit Products and/or the checkout pages for the Counterfeit Products, which are included in **Exhibit D**.

38. For example, below on the left is an image of one of Plaintiff's Squishmallows Products. Depicted further below is a listing for Defendant Dongguan Joy Sum Toys Manufacturing Co., Ltd.'s Counterfeit Product ("Dongguan Joy Sum Toys Manufacturing Co., Ltd. Counterfeit Product is otherwise approved by or sourced from Plaintiff, thereby trading off of the goodwill and reputation of Plaintiff by engaging in the unauthorized use of one or more of the Squishmallows Marks and/or Squishmallows Works:

40. As another example, below on the left is an image of one of Plaintiff’s Squishmallows Products. There is no question that the YANGZHOU DIXIN TOY Store Counterfeit Product is designed to confuse and mislead consumers into believing that they are purchasing one of Plaintiff’s Squishmallows Products or that the YANGZHOU DIXIN TOY Store Counterfeit Product is otherwise approved by or sourced from Plaintiff, thereby trading off of the goodwill and reputation of Plaintiff by engaging in the unauthorized use of one or more of the Squishmallows Marks and/or Squishmallows Works:

**Squishmallows Product**

**Defendant’s Counterfeit Product**

41. By these dealings in Counterfeit Products (including, without limitation, copying, manufacturing, importing, exporting, advertising, marketing, promoting, distributing, displaying, offering for sale and/or selling Counterfeit Products), Defendants violated Plaintiff’s exclusive

rights in the Squishmallows Marks and/or Squishmallows Works, and have used marks and/or artwork that are confusingly similar to, identical to, substantially similar to and/or constitute counterfeiting and/or infringement of the Squishmallows Marks and/or Squishmallows Works in order to confuse consumers into believing that such Counterfeit Products are the Squishmallows Products and aid in the promotion and sales of their Counterfeit Products. Defendants' conduct began long after Plaintiff's adoption and use of the Squishmallows Marks and/or Squishmallows Works, after Plaintiff obtained a federal registration in the Squishmallows Marks and Squishmallows Works, as alleged above, and after Plaintiff's Squishmallows Products, Squishmallows Marks and Squishmallows Works became well-known to the purchasing public.

42. Prior to and contemporaneous with their counterfeiting and infringing actions alleged herein, Defendants had knowledge of Plaintiff's ownership of the Squishmallows Marks and Squishmallows Works, of the fame and incalculable goodwill associated therewith and of the popularity and success of the Squishmallows Products, and in bad faith adopted the Squishmallows Marks and/or Squishmallows Works.

43. Defendants have been engaging in the illegal counterfeiting and infringing actions, as alleged herein, knowingly and intentionally, or with reckless disregard or willful blindness to Plaintiff's rights, or in bad faith, for the purpose of trading on the goodwill and reputation of Plaintiff, the Squishmallows Marks, Squishmallows Works and Squishmallows Products.

44. Defendants' dealings in Counterfeit Products, as alleged herein, has caused, and will continue to cause confusion, mistake, economic loss, and has, and will continue to deceive consumers, the public and the trade with respect to the source or origin of Defendants' Counterfeit Products, thereby causing consumers to erroneously believe that such Counterfeit Products are licensed by or otherwise associated with Plaintiff, thereby damaging Plaintiff.

45. By engaging in these actions, Defendants have, jointly and severally, among other things, willfully and in bad faith committed the following, all of which have and will continue to cause irreparable harm to Plaintiff: infringed and counterfeited the Squishmallows Marks and/or Squishmallows Works, committed unfair competition and unfairly and unjustly profited from such activities at Plaintiff's expense.

46. Unless enjoined, Defendants will continue to cause irreparable harm to Plaintiff.

(False Designation of Origin, Passing Off & Unfair Competition)  
[15 U.S.C. § 1125(a)/Lanham Act § 43(a)]**

83. Plaintiff repleads and incorporates by reference each and every allegation set forth in the preceding paragraphs as if fully set forth herein.

85. The Squishmallows Marks are inherently distinctive and/or have acquired distinctiveness.

86. Defendants knowingly and willfully used in commerce products and/or packaging designs that are identical or confusingly similar to, and constitute reproductions of the Squishmallows Marks and affixed, applied and used false designations of origin and false and misleading descriptions and representations on or in connection with the manufacturing, importing, exporting, advertising, marketing, promoting, distributing, displaying, offering for sale and/or sale of Counterfeit Products with the intent to cause confusion, to cause mistake and to deceive the purchasing public into believing, in error, that Defendants' substandard Counterfeit Products are

Squishmallows Products or related products, and/or that Defendants' Counterfeit Products are authorized, sponsored, approved, endorsed or licensed by Plaintiff and/or that Defendants are affiliated, connected or associated with Plaintiff, thereby creating a likelihood of confusion by consumers as to the source of such Counterfeit Products, and allowing Defendants to capitalize on the goodwill associated with, and the consumer recognition of, the Squishmallows Marks, to Defendants' substantial profit in blatant disregard of Plaintiff's rights.

87. By manufacturing, importing, exporting, advertising, marketing, promoting, distributing, displaying, offering for sale, selling and/or otherwise dealing in the Counterfeit Products that are identical to, confusingly similar to or which constitute colorable imitations of Plaintiff's Squishmallows Products using marks that are identical and/or confusingly similar to, or which constitute colorable imitations of the Squishmallows Marks, Defendants have traded off the extensive goodwill of Plaintiff and its Squishmallows Products and did in fact induce, and intend to, and will continue to induce customers to purchase Defendants' Counterfeit Products, thereby directly and unfairly competing with Plaintiff. Such conduct has permitted and will continue to permit Defendants to make substantial sales and profits based on the goodwill and reputation of Plaintiff and its Squishmallows Marks, which Plaintiff has amassed through its nationwide marketing, advertising, sales and consumer recognition.

88. Defendants knew, or by the exercise of reasonable care should have known, that their adoption and commencement of and continuing use in commerce of marks that are identical or confusingly similar to and constitute reproductions of the Squishmallows Marks would cause confusion, mistake or deception among purchasers, users and the public.

purchasing public and with the intent to trade on the goodwill and reputation Plaintiff, its Squishmallows Products and Squishmallows Marks.

91. Based on Defendants' wrongful conduct, Plaintiff is entitled to injunctive relief as well as monetary damages and other remedies as provided by the Lanham Act, including damages that Plaintiff has sustained and will sustain as a result of Defendants' illegal and infringing actions as alleged herein, and all gains, profits and advantages obtained by Defendants as a result thereof, enhanced discretionary damages and reasonable attorneys' fees and costs.

95. Defendants did not attempt and therefore inherently failed to obtain Plaintiff's consent or authorization to use, manufacture, reproduce, copy, display, prepare derivative works of, distribute,

sell, transfer, rent, perform and/or market Plaintiff's Squishmallows Products and/or Squishmallows Works.

96. Without permission, Defendants knowingly and intentionally reproduced, copied, and displayed the Squishmallows Works by manufacturing, importing, exporting, advertising, marketing, promoting, distributing, displaying, offering for sale and/or selling infringing products which bear such Squishmallows Works, or artwork that is, at a minimum, substantially similar to the Squishmallows Works.

97. Defendants' unlawful and willful actions as alleged herein constitute infringement of the Squishmallows Works, including Plaintiff's exclusive rights to reproduce, distribute and/or sell such Squishmallows Works in violation of 17 U.S.C. § 501(a).

98. Defendants' knowing and intentional copyright infringement, as alleged herein, has caused substantial and irreparable harm to Plaintiff in an amount as yet unknown but to be proven at trial, for which Plaintiff has no adequate remedy at law, and unless enjoined, Defendants will continue to cause, substantial and irreparable harm to Plaintiff.
