## IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF ILLINOIS **EASTERN DIVISION**

GENERAL MOTORS LLC,

Plaintiff.

v.

THE PARTNERSHIPS and UNINCORPORATED ASSOCIATIONS IDENTIFIED ON SCHEDULE "A,"

Defendants.

Case No. 22-cv-02140

Judge Thomas M. Durkin

Magistrate Judge Beth W. Jantz

## PRELIMINARY INJUNCTION ORDER

Plaintiff General Motors LLC ("GM" or "Plaintiff") filed a Motion for Entry of a Preliminary Injunction against the against the fully interactive, e-commerce stores<sup>1</sup> operating under the seller aliases identified in Schedule A to the Complaint and attached hereto (collectively, "Defendants") and using at least the online marketplace accounts identified in Schedule A (the "Online Marketplaces"). After reviewing the Motion and the accompanying record, this Court GRANTS GM's Motion as follows.

This Court finds GM has provided notice to Defendants in accordance with the Temporary Restraining Order entered April 28, 2022, [20] ("TRO"), and Federal Rule of Civil Procedure 65(a)(1).

This Court also finds, in the absence of adversarial presentation, that it has personal jurisdiction over Defendants because Defendants directly target their business activities toward consumers in the United States, including Illinois. Specifically, GM has provided a basis to

<sup>&</sup>lt;sup>1</sup> The e-commerce store urls are listed on Schedule A hereto under the Online Marketplaces.

conclude that Defendants have targeted sales to Illinois residents by setting up and operating e-commerce stores that target United States consumers using one or more seller aliases, offer shipping to the United States, including Illinois, and have sold products using infringing and counterfeit versions of GM's federally registered trademarks (the "Cadillac Trademarks") to residents of Illinois. In this case, GM has presented screenshot evidence that each Defendant e-commerce store is reaching out to do business with Illinois residents by operating one or more commercial, interactive internet stores through which Illinois residents can and do purchase products using counterfeit versions of the Cadillac Trademarks. *See* Docket No.[15], which includes screenshot evidence confirming that each Defendant e-commerce store does stand ready, willing and able to ship its counterfeit goods to customers in Illinois bearing infringing and/or counterfeit versions of the Cadillac Trademarks. A list of the Cadillac Trademarks is included in the below chart.

This Court also finds that the injunctive relief previously granted in the TRO should remain in place through the pendency of this litigation and that issuing this Preliminary Injunction is warranted under Federal Rule of Civil Procedure 65. Evidence submitted in support of this Motion and in support of GM's previously granted Motion for Entry of a TRO establishes that GM has demonstrated a likelihood of success on the merits; that no remedy at law exists; and that GM will suffer irreparable harm if the injunction is not granted.

Specifically, GM has proved a *prima facie* case of trademark infringement because (1) the Cadillac Trademarks are distinctive marks and are registered with the U.S. Patent and Trademark Office on the Principal Register, (2) Defendants are not licensed or authorized to use any of the Cadillac Trademarks, and (3) Defendants' use of the Cadillac Trademarks is causing a likelihood of confusion as to the origin or sponsorship of Defendants' products with GM. Furthermore, Defendants' continued and unauthorized use of the Cadillac Trademarks irreparably harms GM through diminished goodwill and brand confidence, damage to GM's reputation, loss of exclusivity, and loss of future sales. Monetary damages fail to address such damage and, therefore, GM has an inadequate remedy at law. Moreover, the public interest is served by entry of this Preliminary Injunction to dispel the public confusion created by Defendants' actions. Accordingly, this Court orders that:

- 1. Defendants, their officers, agents, servants, employees, attorneys, and all persons acting for, with, by, through, under, or in active concert with them be preliminarily enjoined and restrained from:
  - a. using the Cadillac Trademarks or any reproductions, counterfeit copies, or colorable imitations in any manner in connection with the distribution, marketing, advertising, offering for sale, or sale of any product that is not a genuine GM product or not authorized by GM to be sold in connection with the Cadillac Trademarks;
  - b. passing off, inducing, or enabling others to sell or pass off any product as a genuine GM product or any other product produced by GM, that is not GM's or not produced under the authorization, control, or supervision of GM and approved by GM for sale under the Cadillac Trademarks;
  - c. committing any acts calculated to cause consumers to believe that Defendants' products are those sold under the authorization, control, or supervision of GM, or are sponsored by, approved by, or otherwise connected with GM; and
  - d. manufacturing, shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner, products or inventory not manufactured by or for GM, nor authorized by GM to be sold or offered for sale, and which bear any of GM's trademarks, including the Cadillac Trademarks, or any reproductions, counterfeit copies, or colorable imitations.
- Defendants shall not transfer or dispose of any money or other of Defendants' assets in any of Defendants' financial accounts.

- 3. Upon GM's request, Defendants and any third party with actual notice of this Order who is providing services for any of Defendants, or in connection with any of Defendants' Online Marketplaces, including, without limitation, any online marketplace platforms such as eBay, Inc. ("eBay"), AliExpress, Alibaba Group Holding Ltd. ("Alibaba"), Amazon.com, Inc., ContextLogic Inc. d/b/a Wish.com ("Wish.com"), Walmart, Inc ("Walmart"), and DHgate (collectively, the "Third Party Providers"), shall, within seven (7) calendar days after receipt of such notice, provide to GM expedited discovery, limited to copies of documents and records in such person's or entity's possession or control sufficient to determine:
  - a. the identities and locations of Defendants, their officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with them, including all known contact information and all associated e-mail addresses;
  - b. the nature of Defendants' operations and all associated sales, methods of payment for services, and financial information, including, without limitation, identifying information associated with the Online Marketplaces and Defendants' financial accounts, including Defendants' sales and listing history related to their respective Online Marketplaces; and
  - c. any financial accounts owned or controlled by Defendants, including their officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with them, including such accounts residing with or under the control of any banks, savings and loan associations, payment processors or other financial institutions, including, without limitation, PayPal, Inc. ("PayPal"), Alipay, Wish.com, Alibaba, Ant Financial Services Group ("Ant Financial"), Amazon Pay,

- eBay. Walmart and DHgate or other merchant account providers, payment providers, third party processors, and credit card associations (e.g., MasterCard and VISA).
- 4. Upon GM's request, those with notice of this Order, including the Third Party Providers as defined in Paragraph 3, shall within seven (7) calendar days after receipt of such notice, disable and cease displaying any advertisements used by or associated with Defendants in connection with the sale of counterfeit and infringing goods using the Cadillac Trademarks.
- 5. Any Third Party Providers, including PayPal, Alipay, Alibaba, Ant Financial, Wish.com, eBays, Walmart, DHgate, and Amazon Pay, shall, within seven (7) calendar days of receipt of this Order:
  - a. locate all accounts and funds connected to Defendants' seller aliases, including, but not limited to, any financial accounts connected to the information listed in Schedule A hereto, the e-mail addresses identified in Exhibit 2 to the Declaration of Andrea Ankawi, and any e-mail addresses provided for Defendants by third parties; and
  - b. restrain and enjoin any such accounts or funds from transferring or disposing of any money or other of Defendants' assets until further order by this Court.
- 6. GM may provide notice of the proceedings in this case to Defendants, including service of process pursuant to Fed. R. Civ. P. 4(f)(3), and any future motions, by electronically publishing a link to the Pleadings, this Order, and other relevant documents on a website and by sending an e-mail with a link to said website to the e-mail addresses provided for Defendants by third parties. The Clerk of the Court is directed to issue a single

original summons in the name of "goodluckstone4 and all other Defendants identified

in the Complaint" that shall apply to all Defendants. The combination of providing

notice via electronic publication and e-mail, along with any notice that Defendants

receive from payment processors, shall constitute notice reasonably calculated under

all circumstances to apprise Defendants of the pendency of the action and afford them

the opportunity to present their objections.

7. Schedule A to the Complaint [2], Exhibit 2 to the Declaration of Andrea Ankawi [15],

and the TRO [20] are unsealed.

8. Any Defendants that are subject to this Order may appear and move to dissolve or modify

the Order as permitted by and in compliance with the Federal Rules of Civil Procedure

and the Northern District of Illinois Local Rules. Any third party impacted by this Order

may move for appropriate relief.

9. The \$10,000 bond posted by GM shall remain with the Court until a final disposition

of this case or until this Preliminary Injunction is terminated.
