IDENTIFIED ON SCHEDULE “A”,

Case No. 22-cv-03952

**Judge Ronald A. Guzman**

**Magistrate Judge Maria Valdez**

**PRELIMINARY INJUNCTION ORDER**

Plaintiff Toyota Motor Sales, U.S.A., Inc. (“Toyota” or “Plaintiff”) filed a Motion for Entry of a Preliminary Injunction against the against the fully interactive, e-commerce stores<sup>1</sup> operating under the seller aliases identified in Schedule A to the Complaint and attached hereto (collectively, “Defendants”) and the online marketplace accounts identified in Schedule A (the “Online Marketplaces”). After reviewing the Motion and the accompanying record, this Court GRANTS Toyota’s Motion as follows.

This Court finds Toyota has provided notice to Defendants in accordance with the Temporary Restraining Order entered August 5, 2022, Docket No. 22 (“TRO”), and Federal Rule of Civil Procedure 65(a)(1).

This Court also finds, in the absence of adversarial presentation, that it has personal jurisdiction over Defendants because Defendants directly target their business activities toward consumers in the United States, including Illinois. Specifically, Toyota has provided a basis to

conclude that Defendants have targeted sales to Illinois residents by setting up and operating e-commerce stores that target United States consumers using one or more seller aliases, offer shipping to the United States, including Illinois, and have sold products using infringing and counterfeit versions of Toyota's federally registered trademarks (the "TOYOTA Trademarks") to residents of Illinois. In this case, Toyota has presented screenshot evidence that each Defendant e-commerce store is reaching out to do business with Illinois residents by operating one or more commercial, interactive internet stores through which Illinois residents can and do purchase products using counterfeit versions of the TOYOTA Trademarks. *See* Docket No. [16], Exhibit 3 to the Declaration of Teena Bohi, which includes screenshot evidence confirming that each Defendant e-commerce store does stand ready, willing and able to ship its counterfeit goods to customers in Illinois bearing infringing and/or counterfeit versions of the TOYOTA Trademarks. A list of the TOYOTA Trademarks is included in the below chart.

This Court also finds that the injunctive relief previously granted in the TRO should remain in place through the pendency of this litigation and that issuing this Preliminary Injunction is warranted under Federal Rule of Civil Procedure 65. Evidence submitted in support of this Motion and in support of Toyota's previously granted Motion for Entry of a TRO establishes that Toyota has demonstrated a likelihood of success on the merits; that no remedy at law exists; and that Toyota will suffer irreparable harm if the injunction is not granted.

Specifically, Toyota has proved a *prima facie* case of trademark infringement because (1) the TOYOTA Trademarks are distinctive marks and are registered with the U.S. Patent and Trademark Office on the Principal Register, (2) Defendants are not licensed or authorized to use any of the TOYOTA Trademarks, and (3) Defendants' use of the TOYOTA Trademarks is causing a likelihood of confusion as to the origin or sponsorship of Defendants' products with Toyota. Furthermore, Defendants' continued and unauthorized use of the TOYOTA Trademarks irreparably harms Toyota through diminished goodwill and brand confidence, damage to Toyota's reputation, loss of exclusivity, and loss of future sales. Monetary damages fail to address such damage and, therefore, Toyota has an inadequate remedy at law. Moreover, the public interest is served by entry of this Preliminary Injunction to dispel the public confusion created by Defendants' actions. Accordingly, this Court orders that:

1. Defendants, their officers, agents, servants, employees, attorneys, and all persons acting for, with, by, through, under, or in active concert with them be preliminarily enjoined and restrained from:
  - a. using the TOYOTA Trademarks or any reproductions, counterfeit copies, or colorable imitations in any manner in connection with the distribution, marketing, advertising, offering for sale, or sale of any product that is not a genuine Toyota product or not authorized by Toyota to be sold in connection with the TOYOTA Trademarks;
  - b. passing off, inducing, or enabling others to sell or pass off any product as a genuine Toyota product or any other product produced by Toyota, that is not Toyota's or not produced under the authorization, control, or supervision of Toyota and approved by Toyota for sale under the TOYOTA Trademarks;
  - c. committing any acts calculated to cause consumers to believe that Defendants' products are those sold under the authorization, control, or supervision of Toyota, or are sponsored by, approved by, or otherwise connected with Toyota; and
  - d. manufacturing, shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner, products or inventory not manufactured by or for Toyota, nor authorized by Toyota to be sold or offered for sale, and which bear any of Toyota's trademarks, including the TOYOTA Trademarks, or any reproductions, counterfeit copies, or colorable imitations.
2. Defendants shall not transfer or dispose of any money or other of Defendants' assets in any of Defendants' financial accounts.

3. Upon Toyota's request, Defendants and any third party with actual notice of this Order who is providing services for any of Defendants, or in connection with any of Defendants' Online Marketplaces, including, without limitation, any online marketplace platforms such as eBay, Inc. ("eBay"), AliExpress, Alibaba Group Holding Ltd. ("Alibaba"), Amazon.com, Inc., ContextLogic Inc. d/b/a Wish.com ("Wish.com"), Walmart, Inc. ("Walmart"), Etsy, Inc. ("Etsy"), and DHgate (collectively, the "Third Party Providers"), shall, within seven (7) calendar days after receipt of such notice, provide to Toyota expedited discovery, limited to copies of documents and records in such person's or entity's possession or control sufficient to determine:
  - a. the identities and locations of Defendants, their officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with them, including all known contact information and all associated e-mail addresses;
  - b. the nature of Defendants' operations and all associated sales, methods of payment for services, and financial information, including, without limitation, identifying information associated with the Online Marketplaces and Defendants' financial accounts, including Defendants' sales and listing history related to their respective Online Marketplaces; and
  - c. any financial accounts owned or controlled by Defendants, including their officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with them, including such accounts residing with or under the control of any banks, savings and loan associations, payment processors or other financial institutions, including, without limitation, PayPal, Inc. ("PayPal"), eBay, Alipay,

Wish.com, Alibaba, Ant Financial Services Group (“Ant Financial”), Amazon Pay, Walmart, Etsy, DHgate, or other merchant account providers, payment providers, third party processors, and credit card associations (e.g., MasterCard and VISA).

4. Upon Toyota’s request, those with notice of this Order, including the Third Party Providers as defined in Paragraph 3, shall within seven (7) calendar days after receipt of such notice, disable and cease displaying any advertisements used by or associated with Defendants in connection with the sale of counterfeit and infringing goods using the Toyota Trademarks.
5. Any Third Party Providers, including PayPal, eBay, Alipay, Alibaba, Ant Financial, Wish.com, Amazon Pay, Walmart, Etsy, and DHgate, shall, within seven (7) calendar days of receipt of this Order:
  - a. locate all accounts and funds connected to Defendants’ seller aliases, including, but not limited to, any financial accounts connected to the information listed in Schedule A hereto, the e-mail addresses identified in Exhibit 3 to the Declaration of Teena Bohi, and any e-mail addresses provided for Defendants by third parties; and
  - b. restrain and enjoin any such accounts or funds from transferring or disposing of any money or other of Defendants’ assets until further order by this Court.
6. Toyota may provide notice of the proceedings in this case to Defendants, including service of process pursuant to Fed. R. Civ. P. 4(f)(3), and any future motions, by electronically publishing a link to the Pleadings, this Order, and other relevant documents on a website and by sending an e-mail with a link to said website to the e-mail addresses identified in Exhibit 3 to the Declaration of Teena Bohi and any e-mail

addresses provided for Defendants by third parties. The Clerk of the Court is directed to issue a single original summons in the name of “The Partnerships and all other Defendants identified in the Operative Complaint” that shall apply to all Defendants. The combination of providing notice via electronic publication and e-mail, along with any notice that Defendants receive from payment processors, shall constitute notice reasonably calculated under all circumstances to apprise Defendants of the pendency of the action and afford them the opportunity to present their objections.

7. Toyota’s Schedule A to the Complaint [2], Exhibit 3 to the Declaration of Teena Bohi [16], and the TRO [22] are unsealed.
8. Any Defendants that are subject to this Order may appear and move to dissolve or modify the Order as permitted by and in compliance with the Federal Rules of Civil Procedure and the Northern District of Illinois Local Rules. Any third party impacted by this Order may move for appropriate relief.
9. The \$10,000 bond posted by Toyota shall remain with the Court until a final disposition of this case or until this Preliminary Injunction is terminated.
